

Company Profile

COACH HOUSE, INC., has been producing small motorhomes since 1985, when the first Coach House® Class B van conversion rolled out of a small warehouse in Venice, Fla.

Company founder Ruben Gerzeny, who owned an RV dealership at the time, heard from many disappointed customers who found that their large Class-A and Class-C motorhomes were difficult to drive, park and maintain.

Mr. Gerzeny was determined to set a new standard for the RV industry by producing the highest quality small motorhomes. He began by asking, “What makes a quality motorhome?” The answer is the same today as it was in 1985: a powerful chassis, convenient floor plans, all-wood cabinetry, the best construction materials, name-brand appliances . . . all built with pride and inspected with care.

Now, Coach House® is housed in its own modern factory, where it builds the Platinum line of Class C motorhomes, using an innovative one-piece fiberglass shell, plus the new Class B Arriva. The same ingredients still go into every Coach House, and we still maintain an unrelenting commitment to customer satisfaction. At Coach House, you’re more than a customer — you’re part of the family.

A Message From The President

Welcome to the Coach House family! As President of the Coach House Owners' Club (CHOC), and on behalf of all of our members, I would like to extend this invitation to you to join our fun and friendly club.

CHOC is made up of like-minded people who share the common bond of owning a quality Coach House motor home for their recreational pursuits. Our rallies are fun times for exploring new locations, sharing experiences, getting together with old friends and making new friends. When we're not on the road, we keep in touch through our CHOC Talk newsletters which are published during the months of March, August, and December, and our Facebook group page, which is a private forum for members and past members only.

CHOC is a Chapter of the Family Motor Coach Association (FMCA), and as a member you will be entitled to all FMCA member benefits and services. Dues are small, while the rewards are abundant.

For questions, you may e-mail me directly at thetees@ameritech.net or CHOC First Vice President—Membership Jan Zitzewitz at djzitzewitz@comcast.net.

Applications are also available at www.coachhouseserv.com (under the "Owners" tab, click "Owners Club") or from Coach House directly (1-800-235-0984). We look forward to meeting you.

Sincerely,
Melody Thompson, President
